Mr. J. M. Collier,
Silsbee, Texas.

Dear Mr. Collier:

Miss Mattie T. Collier, your niece, of Arlington, Georgia advises me that you were a beother of Joseph Greene Collier and a grandson of Benjamin Williamson Collier of Early County.

Attached find a letter that will doubtless be interesting to you.

Enclosed find a blank questionnaire which kindly fill out to the very best of your ability, giving all family data, and all information you have in regard to the Collier family, your branch, and return to me at your earliest convenience.

There are many Colliers in Texas that are descendants of Efford Cobb Collier who was a second son of Robert Collier of Upson County, Georgia, and removed to Texas, settling at Douglasville. At present these descendants are living at Jacksonville, Waco, Goldthwaite, El Paso, Houston, Hext, and Florence, and if you will advise me the nearest one of these Cities, I will take pleasure in giving you their names so that you may become acquainted.

Very respectfully,

JCC:S

J. C. COLLIER.
